Dear Hardscape Professional:

July 1, 2011

The New England Concrete Masonry Association is pleased to offer you a tool to market your products and services for little or no cost. If you do not have a presence on the internet or would like to increase your web-based marketing efforts, NECMA's "Web Partners" program can help. Our Producer members, listed below, are pleased to offer you your own webpage along with a link directly from their website to promote your business. Availability is subject to review and approval by the individual producer but once approved, the page will be created and hosted by NECMA in cooperation with you. Use of a standardized template will allow you to display examples of your best projects along with company and contact information. An example of a Web Partner page can be seen at: <http://www.necma.com/WP/Yacuzzi.htm>.

Web Partner Producer Members:

Company	City	ST	Supplier
A. Jandris & Sons, Inc.	Gardner	MA	<input type="checkbox"/>
Camosse Masonry Supply, Inc.	Worcester	MA	<input type="checkbox"/>
Chicopee Mason Supplies, Inc.	Chicopee	MA	<input type="checkbox"/>
